We are a volunteer-run organization. By volunteering at least once a season, you help make all our events very successful. Thank you in advance.

**Notes:**

1. If you will only play roughly half the scheduled games in a league (e.g., due to vacation, sharing a position on a team, etc.), you are eligible for a reduced rate in that league. If your half-season league is the ONLY league you will play in, select the 1/2 league membership. If you want to play a full season in one or more league PLUS a half season in another league, please round up the number of leagues to the next whole number and select the corresponding multi-league membership rate, e.g., to play a full season in Tuesday Men and a half season in Friday Mixed (1-1/2 leagues), select a 2-league membership. The multi-league rates include a discount of approximately 50% off the regular league rate for additional leagues.
2. Friday-only discount applies to 1-league membership in the Friday Mixed league ONLY. Cannot be applied to multiple-league memberships or combined with student discount.
3. Student discount applies if you are a full-time secondary or post-secondary student curling in one or more adult leagues. Cannot be combined with any other discount. Applies only to regular membership fee.
4. New curler discount applies if you have not been a member of the Nelson Curling Club in the last five years. Cannot be combined with any other discount. Applies only to regular membership fee.
